

## Shape Content and Position Your Company as a Leading Solutions Provider!

In these unsure economic times, you have an unsurpassed opportunity to shape content and increase your company's "share of voice" in AICPA Media Solutions' extended-coverage special topic supplements.

Published as special advertising sections in the *Journal of Accountancy*, [journalofaccountancy.com](http://journalofaccountancy.com) and in the *CPA Insider* e-newsletter, each special focus report includes:

- Custom-generated advertorial in a Q&A format.
- Your executive byline, bio, contact information and C-level executive's photograph.
- 250 color reprints of the published special supplement and a PDF file for use on your Web site.

**Take advantage of this unique opportunity to establish your company's position as a leading authority!**

### UPCOMING SPECIAL REPORT TOPICS:

- **July 2009—Paperless Age:** Covers topics like Document Management; Security Issues and Paperless Payroll Opportunities.
- **September 2009—Payroll & HR Solutions:** Covers topics like Payroll/HR Automation, Payroll Processing, Software and Paperless Office/Document Managing.
