

# Advanced Issues in Compilation, Review and Accounting Services

This lively course is a great way to brush up on the current standards and issues in managing compilation, review and accounting service practices. The scenarios included cover the whole spectrum of practice management, including accounting engagement administration, engagement performance, reporting and OCBOA issues.

## OBJECTIVES

Upon completion of this course, participants will be able to:

- Identify responses to numerous compilation, review and accounting service practice issues that conform with all applicable current professional standards

## HIGHLIGHTS

- Discussions of practice issues among experienced practitioners
- SSARs pronouncements, interpretations and technical practice aids
- Peer review deficiencies
- Fraud and independence issues
- Quality control and engagement administration
- Special engagements
- Hands-on practice

## WHO WILL BENEFIT

- CPA firm seniors (and above) managing compilation, review and accounting services
