COSO

Frequently asked questions

How is the education and exam administered?

The certificate program includes seven online self-study modules and an exam. Your employees can complete the exam at the date and time that works best for them within 90 days of finishing the online learning program.

Why encourage your employees to obtain the certificate?

The complexity of enterprise risk has changed, new risks have emerged, and managing it has become everyone's responsibility. The only COSO-authorized certificate program on the 2017 COSO ERM framework, this new certificate program offers your employees the unique opportunity to learn the concepts and principles of the updated ERM framework and be prepared to integrate them into your organization's strategy-setting process to drive business performance. Plus, they'll earn CPE credits.

Who should earn the certificate?

- Employees in organizations of any size who play a risk management role
- Consultants who provide advisory services related to enterprise risk management
- Board members who provide oversight of enterprise risk management

What does the certificate program cover?

Seven self-paced modules provide you with the knowledge necessary to understand and apply COSO's Enterprise Risk Management – Integrating with Strategy and Performance. The ERM Framework assists management and boards of directors with their respective duties for managing risk. It does so by explaining five easy-to-understand components that accommodate different viewpoints and operating structures, and enhance strategies and decision-making business performance.
