

# Essential knowledge for global business

## IFRS certificate program

If your company has non-U.S. subsidiaries or structures transactions with partners, vendors and customers globally, your finance team needs to be proficient in International Financial Reporting Standards (IFRS).

The **IFRS Certificate Program** is a comprehensive curriculum designed for financial professionals and board members who need to:

- prepare and audit financial statements of your non-U.S. subsidiaries or entities
- structure transactions with partners, vendors and customers using IFRS
- understand the impact of the latest standards and amendments issued by the IASB
- demonstrate IFRS expertise to customers and vendors

Participants can take all or part of the program. Anyone who successfully completes the curriculum will receive a Certificate of Educational Achievement and CPAs will receive over 40 hours of continuing education credit.

*"AWESOME!! ... This is a MUST DO set of courses for anyone who is working now or will be in our ever increasing global environment .... These courses will make sure you are ahead of the curve. Great materials, great examples, time well spent."*
